

JURASSIC PARK

Completion

1. A worker was killed by a dinosaur, the lawsuit was for \$ _____
2. The dinosaurs that were being dug up at the fossil sites were from the _____ Period
3. Dennis was being paid to get “stuff” off the island. He was paid \$ _____ up front and \$ _____ for each viable embryo of the possible _____ (#) species
4. There is _____ volts going through the perimeter fence
5. The *Tyrannosaurus Rex* was clocked at _____ miles per hour.
6. If a person were to read a full page of genetic code at one page per second and _____ hours per day, it would take them _____ years to see the entire strand
7. The missing parts to the dinosaur DNA was filled in with _____ (animal) DNA
8. The dinosaur embryos were incubated in _____ (animal) eggs
9. The baby dinosaur they saw hatch was a _____
10. “Dinosaurs had their shot, nature selected them for _____”
11. The *Tyrannosaurus Rex* was fed a _____ (animal) to get it to come out during the tour
12. A butterfly flaps its wings in _____ and in _____ you get rain instead of sunshine. This is called the _____
13. Dr. Saddler was looking for the plant _____ in the triceratops dung
14. The hacker’s virus was a program called _____
15. When they opened _____ in 1956, nothing worked

Short Answer

16. Why did Dr. Grant think that dinosaurs were more like birds than reptiles? List two of the three reasons.
17. What were the four reasons that Dr. Grant didn’t like children?
18. What exactly is the Chaos Theory?
19. How was viable (could be used for cloning) dinosaur DNA found?
20. Why is Dr. Hammond present at the hatching of each new dinosaur?
21. All of the dinosaurs in the park are female. How is this done and why?
22. Robert Moldune was the park’s main game keeper. What did he say about the velociraptors? Why? What did he say about them in their enclosure?

JURASSIC PARK

23. What is a diplosaurus? How does it eat?
24. Explain why the triceratops was tranquilized. What were its symptoms?
25. There is a notable moment in the movie (special effect that was copied many times after) when the water in the cup has ripples. What does it mean?
26. What was the lysine contingency? How was it a safety factor?
27. How do velociraptors hunt? Why is this so amazing?
28. What is the significance of the scene with the pelicans flying at the end of the movie?

People (Use their names)

29. _____ “the point is that you are alive when they eat you”
30. _____ “I can tell instantly about people, it’s a gift”
31. _____ “We’re going to make a fortune off this place”
32. _____ “How do you know they’re female? Has someone pulled up their dino skirts?”
33. _____ “one thing that the history of evolution has taught us is that life cannot be contained”
34. _____ “We spared no expense”
35. _____ “Life breaks free, painfully maybe even dangerously. Life finds a way”
36. _____ “Genetic power is the most awesome force the planet has ever seen but you wield it like a kid who’s found his dad’s gun”
37. _____ “Your scientists were so preoccupied with whether or not they could, they never stopped to think if they should”
38. _____ “God help us. We are in the hands of engineers”
39. _____ “I am totally unappreciated in my time”
40. _____ “I don’t blame people for their mistakes, but I do ask they pay for them”
41. _____ “God creates dinosaurs. God destroys dinosaurs. God creates man. Man destroys God. Man creates dinosaurs”
42. _____ “Dinosaurs eat man. Woman inherits the Earth”
43. _____ “You never had control. That was the illusion”
44. _____ “When Pirates of the Caribbean breaks down, the pirates don’t eat the tourists”
45. _____ “After careful consideration, I decided not to endorse your park”
